Forecast For Wales
Issued by Met Office Exeter
at 1600 on Wednesday 08 Sep 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Staying unsettled with some heavy and potentially thundery showers.

This Evening and Tonight:
Staying largely cloudy this evening and tonight with further showers turning heavy and potentially thundery at times. These showers will become more focussed across southern and western Wales later. Feeling warm and muggy. Minimum temperature 14 deg C (57 deg F).

Thursday:
A rather cloudy start to the day with a few showers and occasional brighter spells. Showers developing more widely for the afternoon and turning heavy and thundery at times. Maximum temperature 22 deg C (72 deg F).

Outlook for Friday to Sunday:
Starting unsettled with further showers, potentially heavy, on Friday before easing overnight. Drier over the weekend with sunny spells, but scattered light showers remain. Feeling cooler than of late.
